Rear Roof Monitor

Delivers rear passenger entertainment with 2 DIN Audio Video with easy remote control. The roof monitor can be adjusted manually to left and right.

Royal Rear Control Panel

A rear air conditioning control panel with integrated interior illumination and rear sliding roof switches has been positioned in the centre of the ceiling

Royal Curtain

The special Curtain is finished in high quality fabric which allows you to enjoy complete privacy during your journey.

reamland

The Magical place Queens find quality time with their Kings.

A wondrous mystery where sleeping beauties smile in their sleep through a thousand miles of sweet kisses.

Where an adventurous child, who unable to sit in one place, has the freedom to fly.

A Kingdom where a king rules his court and back-seat knights.

Thus it is in the world of Alphard, where all dreams abide.
